

PAYCHECK PROTECTION PROGRAM (PPP) SERVICES FOR FINANCIAL INSTITUTIONS

As the COVID-19 pandemic continues to sweep across our nation, healthcare and economic impacts are center stage, and financial institutions are on the brink of potentially significant impacts to their operations, accounting and regulatory compliance. And with the PPP rules constantly in flux, it's difficult to keep up with the changes around loan forgiveness. We can help!

WHAT WE PROVIDE

By working in conjunction with your team, Windham Brannon can help you meet the needs of your clients as well as manage your risk by:

- Obtaining required documentation from the borrower
- Analyzing the documentation to ensure it meets established SBA criteria
- Evaluating the accuracy of the PPP forgiveness calculation
- Helping you meet SBA and Treasury deadlines

- All work can be done remotely using secured portals

Our team is constantly monitoring the changes in the PPP rules and we can help manage the loan forgiveness process, so you don't have to. Our relationships and expertise helping clients with PPP loan forgiveness have proved we can offer a seamless and cost-effective solution.
